## **The History**

Essex Pride first started in 2004 at Smiths Bar in Chelmsford. The venue was the beating heart of the LGBTQ+ community, and the event has grown year on year to become the largest LGBTQ+ community pride celebration in the county.

Garry Ormes, Chair of Essex Pride, says: “Essex Pride is a safe and inclusive event for LGBTQ+ individuals, families and allies, and offers an opportunity for the whole community to join together. Essex Pride began in the now-closed Smith's bar in Chelmsford, before becoming

too big for the venue and moving to Central Park.

Pride is more important than ever, and we welcome your support of this important event, which aims to encourage LGBTQ+ people to be themselves in their local communities. Pride plays a big part in encouraging acceptance of everyone regardless of gender or sexuality. We look forward to seeing you there, regardless of who you love”

### All Around the City Centre
